CONSTITUTION AND BYLAWS

Article I

NAME

The name of the corporation shall be **Bethel Fellowship International Inc.**, hereafter referred to as BFI in this document.

Article II

NATURE OF THE FELLOWSHIP

Section I

BFI is ministerial in function and not legally binding in nature, but is solely a medium through which church ministries may work harmoniously in co-operation with each other, promoting the work and objects set forth in these bylaws. It is defined not as governmental but as relational, not congregational but personal. It shall recognize the sovereignty of the churches under one sovereign, the Lord Jesus Christ.

Section II

BFI is designed to only carry out those ministries and services which churches cannot easily or conveniently provide for themselves. Each church will be free to carry on their own program and vision.

Section III

Being international in character BFI may be extended to the country, any country, in the world. Its recognition of the headship of Christ, and commitment to the whole body of Christ worldwide provides privilege of an open communion.

Article III

PURPOSE

The purposes for which this corporation is formed are:

1. To be a living expression of Christ in this world, through a special sense of unity and kinship amongst ministries who have moved to form a viable relationship with each other.

2. To assume and share the responsibility of fulfilling the Great Commission.
3. To promote fellowship among members of the Body of Christ.
